Child trafficking is the fastest growing crime in the world. Communities throughout the United States and across the globe are being affected daily.

Global EP is asking for your help to raise awareness for trafficking!

Volunteers can collect "RESCUE PACK" items. Rescue packs will be given directly to the FBI and then delivered to the child at the time of the rescue.

Domestically, volunteers can help offer humanitarian service by collecting donations that will be given to law enforcement and then given directly to victims of child trafficking.
